

TUSHMA ENTERPRISE

FORGING THE FUTURE

Our Story

Tushma Enterprise, established in 1997 in Jamnagar, Gujarat, India is a trusted manufacturer of precision brass components serving diverse industrial sectors. With decades of expertise and modern production facilities, we specialize in delivering high-quality brass components tailored to customer specifications.

Driven by precision engineering and strict quality control, we ensure reliable performance, competitive pricing, and timely delivery. Our focus on excellence and customer satisfaction has helped us build long-term partnerships across various industries.

Industries We Serve

Automotive Parts

- Brass Bushings & Bearings
- Fuel Injection Components
- Valve Stems & Guides
- Electrical Connectors
- Carburetor Parts
- Brake System Components

Bicycle Bell Parts

- Handle Grips & Fittings
- Brake Cable Adjusters
- Spoke Nipples
- Footpump Parts Nozzle
- Chain Adjusters
- Valve Caps & Accessories

Lubrication Parts

- Grease Nipples & Fittings
- Oil Nozzles
- Pressure Relief Valves
- Lubrication Connectors
- Flow Control Components
- Hydraulic Adapters

Hand Tools Parts

- Tool Handles & Inserts
- Adjustment Screws
- Plumbing Tool Components
- Fasteners & Fixings
- Lock Mechanisms
- Garden Tool Fittings

LPG Gas Parts

- Gas Regulator Components
- Cylinder Fittings
- Pressure Indicators
- Safety Valves
- Control Knobs
- Connector Assemblies

Electronic/Electrical Parts

- Terminal Blocks
- Switch Components
- Wire Connectors
- Electrical Contacts
- Earthing Terminals
- Circuit Breaker Parts

Forged Parts

- Forged Fittings
- Coupling Components
- Flange Assemblies
- Valve Bodies
- Manifold Parts
- Custom Forged Items

Precision Turned Parts

- Turned Bushings
- Threaded Components
- Micro Components
- Precision Pins & Shafts
- Custom Turned Parts
- Medical Device Parts

Brass Gas parts

Precision components built for secure and long-lasting gas connections.

Brass tube products

Precision-crafted tubes designed for strength and consistent performance.

Brass Agriculture parts

Engineered for reliable performance in demanding agricultural environments.

Brass EV parts

Reliable components for next-generation electric mobility systems and applications.

CNC Forging Parts

Strong forged components finished with advanced CNC machining.

Sanitary Parts

Engineered for reliable performance in demanding agricultural environments.

Electrical parts

Reliable electrical parts ensuring safe and consistent performance.

Lubrication parts

Improving performance and durability with precision-made Lubrication Parts

Precision parts

Delivering strength and consistency through premium Precision Parts

Why Choose Tushma Enterprise?

✓ Custom Manufacturing

Tailored Solutions for any industry requirement

✓ Uncompromising Quality

Rigorous testing & international standards

✓ Timely Delivery

On-time, every time guaranteed

✓ Competitive Pricing

Cost-effective without compromise

✓ Technical Expertise

Engineering support & consultation

✓ Modern Facilities

State-of-the-art CNC & forging equipment

Tushma Enterprise specializes in manufacturing custom brass components tailored to your exact specifications. We are committed to delivering excellence through quality, precision, and reliability.
